

NC Medicaid Managed Care: Phase 2 Counties

If you live in one of the counties shown in **green** on the map, you are not in NC Medicaid Managed Care now. This means you do not enroll yet.

When it's time to enroll, you may get an enrollment packet in the mail. The enrollment packet will include information to help you choose a primary care provider (PCP) and health plan. It will also have a comparison chart with the health plans in your area. For a sample of the chart, go to the next page.

You don't have to do anything now. Wait until you get your enrollment packet in the mail.
